Please forward to your Logistics/Transportation and EDI Departments.

Dear Nordstrom Supplier,

As a reminder Nordstrom is realigning some stores and DC responsibilities in order to better serve our customers.

Currently Utah stores are serviced by our DC 399 in Ontario, California. Effective February 6, 2012 the following stores will be serviced by our DC 89 in Portland, Oregon:

Store	FLS/Rack	Location
32	FLS	Murray, UT
33	Rack	Salt Lake City, UT
38	FLS	Orem, UT
71	Rack	Sandy, UT
73	FLS	Salt Lake City, UT

Merchandise shipping on or after February 6, 2012 for these stores must be routed to DC 89 in accordance with our Nordstrom Supplier Routing Guide.

Failure to make the appropriate changes may result in freight chargebacks for shipping to the incorrect DC.

Please visit our Routing Guide at [www.nordstromsupplier.com](http://www.nordstromsupplier.com) for detailed information.

If you have questions regarding this change please contact our Transportation Team at [traffic@nordstrom.com](mailto:traffic@nordstrom.com) or by phone at 877-444-1313 select option 4, then 1.
