

As we continue our journey to **improve speed to customer** while **reducing transportation costs**. We shared initial updates regarding MWFC going live later this month (*808 becoming the Sales/Return location only and 599 the Inventory location*).

We are excited to also share, WCOC will be expanding to become an Omnichannel FC, eventually serving both Nordstrom.com and NordstromRack.com West Coast customers.

As a first step, we are making **changes to the WCOC Ship-to location number**.

WHAT IS CHANGING?

The Primary Default Warehouse for store 584 will change to 935

WHEN IS THE CHANGE EFFECTIVE?

Go live is May 16, 2022

Ship to Location = WCOC 935

Store Name: WCOC DC
Region: Distribution Center
Address:
 490 Columbia Ave
 Riverside CA 92507

850 TRANSMISSION:

EDI mark-for location will show as 584 for the store distribution quantity (segment SDQ).

HOW TO PREPARE.

Work with your EDI team & EDI provider to have all store numbers mapped correctly to their primary warehouse.

You can find all store information in our Routing Guide located on our website www.nordstromsupplier.com

WHAT YOU NEED TO KNOW?

	APPROVED PO'S		FUTURE PO'S
PO Status	<u>With Shipping Activity</u>	<u>No Shipping Activity</u>	5/16/22 and later
Supplier Action	<i>No Action</i> <i>Existing PO's should ship to existing default DC 399</i>		Update Ship-to location from 399 to 935
