

# HANGING STANDARDS

**NORDSTROM**

UPDATED OCTOBER 12, 2020

<b>SECTION 1</b>	<b>HANGER REQUIREMENTS .....</b>	<b>2</b>
	FLS & Rack Hanger Requirements .....	2
	Ecommerce & Reserve Stock Hanger Requirements .....	4

Nordstrom requires specific product types to be shipped on hangers. Hangers must be inserted into these products and shipped in cartons. Questions regarding hanger requirements can be directed to the Nordstrom Floor Ready Department at (877) 444-1313 (opt. 1) or [FRM@nordstrom.com](mailto:FRM@nordstrom.com).

### Additional Specifications

- Use a combination of top and bottom hangers for all 2-piece coordinates/sets
- Rubberized grippers required (style PGRAB) on some items to prevent damage or slippage (i.e. scoop neck tops, fine gauge knits, etc.)
- Bottoms must be hung at the waist
- **FLS:** Men's Suits and Wool and Cashmere Coats - hanging; **Rack:** for suits use Black Suit Hanger 18" and for wool and cashmere coats use Black Coat Hanger 18" as listed below

### Unacceptable Items

- Size indicators and supplier logos/stickers on hangers
- Full foam covers on top hangers or foam mini covers
- Loose foam or fabric swatches on bottom hangers

**Note:** Hangers inserted into product where a hanger is not required, product received without a hanger when a hanger is required or does not meet GS1 US standards (formerly VICS) where specified (see tables below) **will incur an expense offset fee** (Nordstrom does not provide pictures of non-compliance). See [Nordstrom Expense Offset Policies](#) on our website.
